Night Under the Stars

Sponsorship Package 2020

We appreciate your interest in partnering with us on Night Under the Stars.

Night Under the Stars is Vancouver Talmud Torah's premier fundraising event of the year; an evening that is not to be missed.

This semi-formal evening features a cocktail reception, unique silent auction, dinner, entertainment, and much more... a fantastic night out for a worthwhile cause. The event will take place on June 4, 2020 at 7:00pm at Vancouver Talmud Torah. Early bird tickets are available for purchase for \$275 per person starting December 15, 2019 and regular tickets for \$375 per person after April 3, 2020.

Night Under the Stars offers an ideal venue for corporate and family sponsors to promote their brand or name to a key audience of 250+ guests.

Night Under the Stars will raise much-needed funds for VTT's exciting new I STEAM lab where Israel Innovation and education will be integrated together with STEAM (Science, Technology, Engineering, Arts, and Math) into one comprehensive program. STEAM is an approach to teaching that is at the forefront of 21st century learning. Under the umbrella of STEAM, students learn to be innovative, collaborative, resilient thinkers where they can unpack future ready skills and competencies while fostering ahavat Israel.

VTT has made forays into the STEAM educational landscape, but I STEAM will propel this commitment so that our whole school can have access to STEAM-based challenge-focused curriculum.

The project's vision is to turn one of VTT's existing break out spaces into an Israel Innovation and STEAM (I STEAM) lab where teachers will bring their students into a world of creation, problem solving and design thinking.

All event proceeds will directly benefit our I STEAM journey and assist in the creation of our lab which will include a woodworking and design area, modular systems, iPads and coding software, programmable robots, and aquaponics, to name a few.

We thank you in advance for your support to bring this vision and project to life.

Vancouver Talmud Torah – providing bright futures for the last century
